

Policy for LFP Students Leaving Campus

High School Policy

Once a student enters campus, he/she/they may not leave campus until the end of their day. If you're going to go to Starbucks/Junior Market/etc., you must go before you come on campus. Students arriving late with snacks or drinks will be asked to throw them away.

Once a student leaves campus, he/she/they may not return until school is out, and may only return if he/she/they are participating in a school-sponsored after school program (tutoring, sports, theater, music, YPI, etc.). If a student leaves campus prior to after school programming, he/she/they must return by the times listed below (see table). To reinforce safety, we ask that students only leave and return once (instead of multiple ins and outs).

High School	Monday	Tuesday	Wednesday	Thursday	Friday
End of School	3:40pm	3:15pm	2:15	3:50	3:50
Must return to campus by...	4:05	3:40	2:40	4:05	4:05

Seniors may leave after their last class by signing themselves out.

Parents can call or e-mail for exceptions.
